

Coping stones Crystal Series

Artic, Kalahari, Teneryfa

For the most demanding customers, we offer a Crystal Series, which is even more unique and special due to design of stones with pieces of pearl shells from the beaches of the South Pacific. Stones from Crystal Series give your swimming pool elegant and refined look. The pieces of shells beautifully reflected in the rays of the sun, giving an eye-pleasing effect. Properly sandblasted surface prevents slipping. Available in 3 color options.

Your pool will be more beautiful than you can imagine. Crystal Series will make your dreams a reality.

resitant to low and high temperatures, Certificat Odporności Artic Kalahari Teneryfa
